“The PFARM”

Junior Golf Camp

The Ptarmigan Golf Staff would like to announce an exciting, educational golf experience here at Ptarmigan Country Club. Our goal for our Junior Golf Program is to provide a fun, safe atmosphere conducive to learning this great game. Ptarmigan will be holding two 3 day camps. (June & August)

Throughout each program we will emphasize rules, etiquette and the fundamentals of all aspects pertaining to golf while building each Junior Golfer's character through the game.

WHY GOLF?

Golf is unique from other sports because players learn values like honesty and responsibility by calling penalties on themselves and reporting their own score. The sport of golf is a perfect platform for helping youth develop character because just like in life, players experience the highs and lows of the game.
