Description of Classes

Tiny Tot: (Ages 3 – 5) Designed to meet the needs of preschoolers, this course will develop a high comfort level in the water, a readiness to swim, and for those children who are developmentally ready, teach beginning swim skills. This class approaches teaching swimming through creative, fun activities in the water. Students work toward development of the five core swimming competencies. Children progress at their own pace in a small group setting.

Youth: (Ages 6 – 8) Students work toward development of the five core swimming competencies. The color levels are used to divide students into broad ability groups. Children progress at individual rates with the opportunity to learn the core swimming skills and progress to advanced strokes. Learning is self-paced but challenging. 5 year olds at Level Red or above may enroll.

Primary: (Ages 9 – older) Students work toward development of the five core swimming competencies and receive color level patches for each achievement. The color levels are used to divide students into broad ability groups. Children progress at individual rates with the opportunity to learn the core swimming skills and progress to advanced strokes. Learning is self-paced but challenging. 5 year olds at Level Red or above may enroll.
